LINEA SINGLE DUB

LINEA COMFORT URBAN

LINEA SLIM SINGLE DUB

A modern living room with a prominent wall of vertical acoustic slats in a dark wood finish. A large rectangular mirror is mounted on the slat wall, reflecting a potted plant and a string of warm-toned lights. In the foreground, a dark round coffee table holds a gold tray and a book. To the right, a tufted sofa is visible, and a tall black floor lamp stands in the corner. The ceiling is equipped with three recessed spotlights. The floor is a mix of wood-look planks and a textured rug.
